# RENT & MORTGAGE RELIEF

### COVID-19 ASSISTANCE

### IMPACTED BY COVID-19? WE CAN HELP YOU NOW!

If you are a Kitsap County resident and have been impacted financially by COVID-19, you may be eligible for rent or mortgage help for up to 3 months on overdue or currently owed rent or mortgage payments.

### “BUT I HAVEN’T QUALIFIED FOR HELP IN THE PAST”

Due to the COVID-19 Pandemic and the Federal CARES Act, a number of programs are available to individuals who may not have traditionally qualified for help in the past. If you have had ANY reduction of income in 2020, a loss of job, or had trouble paying your rent or mortgage, call us for a free screening!

### “HOW DO I GET ASSISTANCE”

Getting help is easy! Kitsap Community Resources (KCR) has a Housing Solutions Center ready and waiting to help you determine if changes in your income, even if temporary, qualify you for assistance. If you can answer “YES” to the questions below, contact us TODAY!
